* HVPE introduced an additional US dollar share price on 10 December 2018; from this date onwards, the actual US dollar share price, as reported by the London Stock Exchange, has been used. Prior to this date, the US dollar share price had been converted from the sterling share price at the prevailing exchange rate.

The Private Equity Cycle

HVPE invests in and alongside HarbourVest-managed funds which focus on primary fund commitments, secondary investments and direct co-investments in operating companies. These in turn drive a steady pace of direct and indirect investment into private company opportunities. These investments develop and grow over a period of several years, before being exited. Proceeds from these distributions then provide the fuel for new commitments and the lifecycle continues.

Month ended 30 June 2022

Investments (Investment Phase)

In June, the majority of capital calls from underlying partnerships (by value) were for buyout investments at 79%, with venture investments representing a further 18%. Of the total amount called, the majority (77%) was from partnerships with a US investment focus.

12 Month Cash Flow (\$m)

1 July 2021 to 30 June 2022

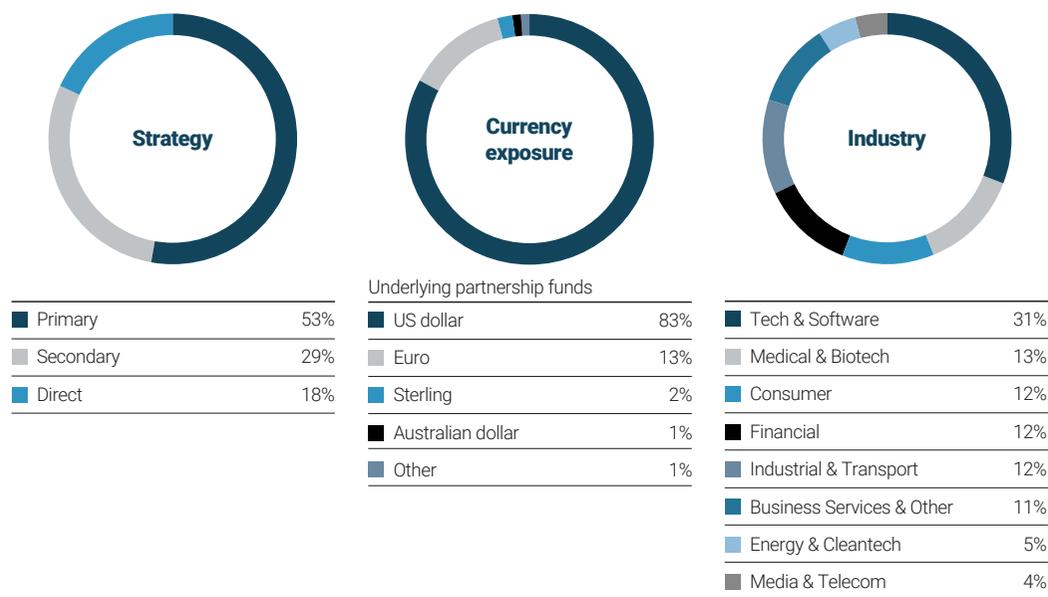

Diversification at 30 June 2022

Consistent with HVPE's investment objective, the Investment Manager strives to manage risk through diversification within the portfolio.

* InfRA incorporates infrastructure and real assets.

Notes: The diversification by net asset value analysis is based on the fair value of the underlying investments, as estimated by the investment manager. Diversification by stage, phase, and geography is based on the estimated net asset value of partnership investments within HVPE's fund of funds and company investments within HVPE's co-investment funds. Industry diversification is based on the reported value of the underlying company investments for both fund of funds and co-investment funds. Some of the funds held in HVPE have not been fully invested. The composition of investments by phase, stage, geography, strategy, and industry may change as additional investments are made and existing investments are realised. By phase, mature includes vintage years pre-2013, growth includes vintage years 2013 to 2017, and investment includes vintage years 2018 to 2022.

Managing HVPE

Credit facility

If future investments exceed distributions for a sustained period, it is important that HVPE is able to access funding as required to meet any shortfall.

At 30 June 2022, HVPE had a cash balance of \$250 million and access to the full \$700 million on its credit facility.

HarbourVest Partners ("HVP") Fund-level borrowing

At 30 June 2022, HVPE's share of HVP fund-level borrowing, on a look-through basis, was \$540 million. Please refer to hvpe.com/portfolio/financial-resources/ for further details.

Valuation Methodology:

HVPE carries its investments at fair value in accordance with US generally-accepted accounting principles. HVPE's Investment Manager uses the best information it has available to estimate fair value. Fair value for private equity assets is based on the most recent financial information provided by the Investment Manager, adjusted for known investment operating expenses and subsequent transactions, including investments, realisations, changes in foreign currency exchange rates, and changes in value of public securities. The valuation breakdown of the HVPE portfolio as reported here is as follows: 8% actual 30 June 2022 (representing the public companies in the portfolio); 90% actual 31 March 2022 and 2% actual 31 December 2021. Consistent with previous estimated NAV reports, valuations are also adjusted for foreign exchange movements, cashflows, and any known material events to 30 June 2022.

All investments are subject to risk. Past performance is not indicative of, or a guarantee of future performance. Prospective investors are advised to seek expert legal, financial, tax, and other professional advice before making any investment decision. The value of an investment in HVPE may fluctuate and share prices and returns may go down as well as up. Results achieved in the past are no guarantee of future results. This document is not intended to be an investment advertisement or sales instrument; it constitutes neither an offer nor an attempt to solicit offers for the securities described herein. This report was prepared using financial information contained in HVPE's books and records as of the reporting date.
